At that time jackal, fox and wild dogs were hiding in the nearby bushes
When will the lion be full and when can we eat the remnants

One greedy wild dog barked loudly and came in great speed
Barked

He saw his own reflection there
Oh, this dog is carrying a bigger bone in his mouth than mine! Why not grab that bone from him!

Thinking in this way the wild dog began to bark loudly at his reflection. As soon as he opened his mouth to bark, the bone from his mouth fell in the river....
BARK
BARK
