Mukund prabhu is chanting his rounds at his home...

**But he heard someone
at the doorstep**

It is Bharat prabhu who is in the devotion from last two months but he is very enthusiastic and inquisitive towards devotional service

**Bharat Prabhu was introduced into Krsna
Conciousness through Mukund prabhu**

After sometime Ajay prabhu also came to visit Mukund prabhu...

They offered obeisances to each other...

Who is
this devotee
prabhu?

He is Ajay
Prabhu

A man with dark hair, wearing white-rimmed glasses and a light blue polo shirt, is shown from the chest up. He has a yellow tilak on his forehead and is pointing his right index finger upwards. To his right, there is a large green thought bubble with a white border containing text. Below the main bubble are two smaller, empty green thought bubbles. The background is a plain, light-colored wall.

I heard prabhupada
saying in one of the lecture
that "Caitanya Mahārabhu
says *yāre dekho tāre kaho
Kṛṣṇa-upadesa* Whomever you
meet, you simply talk about
Kṛṣṇa"

How is your
spiritual life going
prabhu?

How
many rounds are
you chanting?

www.patanjali.com

Prabhji I am
chanting 16 rounds.

How
come he is
chanting 16 rounds ,
even I am not
chanting 16 rounds.

**You are really very great
prabhu, you are so young and still
you are chanting 16 rounds**

Prabhu
what are you
doing?

Do you know
to whom you are
talking?

Yes I know he is Ajay prabhu and he is in school now.

No prabhu you are wrong, he is the one who introduced me in Krsna Consciousness and he may look small but he is an IT professional and he own a company of 100 people working under him.

Bharat prabhu thought after looking Ajay prabhu that he is a small boy because externally he appeared like so... but then he was highly embarrassed to know the truth.

One can never know the mind of a Vaisnava, nor can one know a Vaisnava by his outward appearance. To the extent that one judges a devotee by external considerations, to the same extent one is under an external conception of the self. Although the character and behavior of a Vaisnava is naturally at the highest standard, external appearances may not always be an accurate guide to the quality of his service and surrender to his Guru Mahārāja.
