behaving in front of other devotees.

Satyavan Prabhu was discussing the Krsna Conscious philosophy with this new Bhakta who was very much interested and sincere.

A photograph of two men sitting on the floor in a room with wood-paneled walls. The man on the right is wearing a white kurta and dhoti, holding an open book and gesturing with his right hand as if speaking. The man on the left is wearing a light green polo shirt and dark pants, listening intently with his hand to his chin. A red speech bubble is positioned between them, containing text about the Srimad Bhagvatam.

Srimad Bhagvatam is
said to be the riped
fruit of all the the vedas.
It is the crest jewel of
all the vedic literature.

Prabhu I have a question ?

Yes go ahead ?

A photograph of three men sitting on a bed. The man on the left is wearing a dark grey shirt and black pants, holding a book with a green cover. The man in the middle is wearing a light green polo shirt and dark pants. The man on the right is wearing a white shirt and white pants, holding an open book. They appear to be in a discussion. There are two red speech bubble overlays on the image.

Hare Krsna Prabhu
what is going on?

we were
just discussing
from the
Bhagavatam

He is Ajay prabhu
and he is new to
Krsna Consciousness, and
he is interested to learn
Srimad Bhagvatam.

O even I am
reading Bhagavatam,
you know...

Then Vipin Prabhu started reading Bhagavatam, sleeping on the floor..

A young man with dark hair, wearing a white short-sleeved shirt and white pants, is sitting on a bed. He is holding an open book in his hands and looking towards the camera. The background shows a wooden wardrobe with two doors and a window with a view of a landscape. A red speech bubble is overlaid on the right side of the image.

Haribol Prabhu
please sit and read,
this is not the
right way to read.

Hari bol atleast don't behave like this in front of this new devotee

A man with dark hair, wearing a dark, patterned button-down shirt, is shown from the chest up. He is looking towards the right side of the frame with a slightly open mouth, as if speaking or reacting. His right hand is raised, with fingers spread. In the upper right corner, there is a red speech bubble with a white border containing text.

Hari bol it is
you, not me who is
misbehaving in front
of this new devotee.

I don't want you
to correct me
in front of others.

Satyavan Prabhu got deeply hurt by seeing the behaviour of Vipin prabhu...

A devotee should know how to behave in front of others . However big the problem may be one should express himself in a right manner according to time place and circumstances.

what ever personal conflicts we may have . we should behave kindly in front of other devotees otherwise we may land up setting bad example and those who are new to our movement may have a wrong impression and may get misled and there by may not be able to even appreciate the process of Krsna Conciuousness. we should always remember that we are respresenting our Guru and Krishna.
