

*Harshness with the devotees*

satyavan and shankar have been in devotion from last two months. They were very sincere and enthusiastic, and their deep interest to know more about Krsna got them to a devotee named Mukund pr who met them in Sunday feast program who invited them to his house so that he can answer their question as well as guide them to advance further.

Hare Krsna  
Mukund  
prabhu

Hari bol  
Prabhu

Oh Hare Krsna  
Prabhu's please  
come and sit here...

Vancha kalpa taru bhya ca  
Krupa sindhu bhya eva ca  
patitanam pavane bhya  
Vaishnave bhya namo namah

Vancha kalpa taru bhya ca  
Krupa sindhu bhya eva ca  
patitanam pavane bhya  
Vaishnave bhya namo namah

Prabhu please  
give us your  
mercy.

A man with dark, wavy hair and a white tilak on his forehead is smiling broadly. He is wearing a light green button-down shirt. In the background, there is a wooden cabinet with drawers and a warm-toned light strip. A yellow speech bubble is positioned to the right of the man.

*If you follow four regulative principles and sincerely chant the Hare Kṛṣṇa Mahamantra attentively then you get the mercy*

So then the devotee tried to chant their rounds attentively...

Then satyavan prabhu started dozing while he was chanting and Mukund prabhu took a note of that...

I have seen people  
sleeping but never seen a  
person who is snoring in the  
middle of chanting...

**Hari bol !!!**

After some time Shankar Prabhu's phone rang...

A man with dark hair, wearing a white long-sleeved button-down shirt and dark grey trousers, is sitting cross-legged on a yellow mat. He is holding a mobile phone to his ear with his right hand and a pink cloth in his left hand. He has a thoughtful or listening expression. In the background, another man in a blue shirt is partially visible, sitting on the floor and holding a yellow bag and a string of beads. The setting appears to be an indoor room with a wooden door and some hanging items in the background.

Hare Krsna  
Prabhu please  
accept my humble  
obeisances...  
how are you?

Stop  
talking on  
the phone...

A photograph showing three men sitting on the floor in a room. The man on the right, wearing a light blue shirt and grey trousers, is speaking to the other two men. The man on the left, wearing a white shirt and dark trousers, is listening intently. The man in the middle, wearing a blue jacket and blue trousers, is also listening. A yellow speech bubble is overlaid on the image, containing the text: "Don't you people know that talking and sleeping while chanting is an offence to the Holy name."

Don't you people know that talking and sleeping while chanting is an offence to the Holy name.

While trying to correct neophyte devotees we should be very careful & point out thier inadequacies in a very gentle way taking care that it does not hurt their sentiments otherwise due to our harsh nature devotees may leave Krishna consciousness
