Sharad Prabhu came from abroad to meet his twin brother Bharat prabhu after a long time

A man with dark hair, wearing an orange polo shirt, light-colored trousers, and white-rimmed sunglasses, is making a peace sign with his right hand. He is standing in a room with a patterned tile floor and a white wall. To his left is a wooden door with a small sign. A red speech bubble is overlaid on the image, containing the text "Hey Vancha Prabhu...".

Hey Vancha
Prabhu...

Hare Krsna
Prabhu...

Vancha kalpa taru bhyas cha
Kripa sindhu bhya eva cha
patita nam pavane bhyo
Vaishnave bhyo namo namah

A photograph of two men shaking hands in a room. The man on the left is wearing a light blue short-sleeved shirt and dark trousers. The man on the right is wearing an orange polo shirt and light-colored cargo pants. They are standing on a patterned floor with two white plastic chairs behind them. Red speech bubbles are overlaid on the image, containing text in Hindi.

How are
you Prabhu

I am
good prabhu

How is your
Sadhana ?

O prabhu don't
ask that, my sadhana
is so badly affected...
USA is the main hub
of maya.

You don't
know prabhu
maya has kicked me
left right and
center...

That's
why Prabhupada said
that we should always
pray to Krsna to protect
us from maya...

Prabhu you just step
outside the house, you will
see so many bollywood
poster polluting our
consciousness

You are talking
about the posters...
Prabhu just see the
movies, it is horrible...

Prabhu you mean to say you watch movies...

No no I just
heard from,
some of my
karmi friends...

Hmm but you have heard
in too much detail...

Prabhu movies
are nothing, if you
compare to what
internet is ?

A photograph of two men sitting on white plastic chairs in a room with a patterned floor and a plain wall. The man on the left is wearing a light blue shirt and dark trousers, sitting with his hand on his chin in a thoughtful pose. The man on the right is wearing an orange polo shirt and light-colored shorts, gesturing with his hands as if speaking. A red speech bubble is positioned above the man on the right, containing text.

60-65 percent of the contents
in the internet are violence and
porn based...

that means
you use
internet a lot...

No no...

I just heard from
some of my karmi
friends...

You have heard in
too much detail...

Many times when we are discussing with devotees about the problems we are facing in our Krishna Consciousness, we start with something philosophical with some practical situations that we have faced in our Krishna Consciousness.

The whole process of discussing with devotees is to inspire one another in devotional service. But many times as the conversation goes on instead of understanding the principle behind the talk we go so deeply into the topic of maya that at last it turns out to be PRAJALPA.

It's not wrong to discuss with devotees about some of the situations we have faced in the process of Krishna Consciousness, but that talk should be something that can inspire and make devotees more enthusiastic to serve Krishna and Guru.

If we can't get that result after the whole talk then it's just "SHRAMA EVA HI KEVALAM".
